

## CITY OF KALAMA

### REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES

The City of Kalama is soliciting Statements of Qualifications from consulting engineering firms to provide professional engineering services for site preparation and construction of a new water pump station and also replacing approximately 2200' of existing 6" water main with 8" C-900. Services will include planning, design, and construction management of the pump station infrastructure and water main replacement.

Interested firms should submit three copies of your Statement of Qualifications to: the City of Kalama P.O. Box 1007, Kalama, WA 98625. Submittal deadline is 5:00 PM February 20, 2018. Questions can be directed to Kelly Rasmussen, Director of Public Works at (360) 673-3706 or [krasmussen@kalama.com](mailto:krasmussen@kalama.com).

Submittals should include the following information: Cover letter; general information about the consulting firm including name, office locations, contact information and general description of services provided; proposed project team and qualifications; relevant experience including project experience and references. Submittals shall be limited to 20 pages excluding front and back cover. A printed side of paper shall be considered one page.

Submittals will be evaluated and ranked based on the following criteria: 1) Experience of the firm 2) Past performance 3) Approach to the project 4) Response of references. The top ranked firms may be asked to interview with a selection committee.

Persons with disabilities may request this information in an alternate format by contacting Mr. Rasmussen at the above address or phone number.
